

# MARILYN STRICKLAND

CONGRESSWOMAN FOR WASHINGTON'S 10TH DISTRICT

# 2024 Year In Review

# A MESSAGE FROM MARILYN

---

Dear Neighbors,

Thank you for the opportunity to serve as your voice in Congress.

In 2024, I continued my efforts to improve the quality-of-life in the South Sound. From building more housing to repairing salmon habitats and securing servicemember pay increases, it's been a busy year delivering for our community. I've worked to lower costs at home, fought to protect reproductive freedom, prioritized our servicemembers and their families, and advocated for regional transportation projects. Since the start of the year, my office has recovered nearly \$1.2 million for taxpayers. I have also delivered nearly \$2 billion in federal grants to support projects happening in our community.

I continue to stand with you. I will continue to fight for you. In 2025, my priorities include:

- Building more housing,
- Protecting your rights and freedoms,
- Supporting servicemembers and families at Joint Base Lewis-McChord,
- Securing federal funding for transit, broadband, and clean water projects,
- Serving you

I look forward to working together in the 119th Congress.

Thank you,

A handwritten signature in black ink, appearing to read "Marilyn Strickland".
