

MARILYN STRICKLAND

CONGRESSWOMAN FOR WASHINGTON'S 10TH DISTRICT

Port Infrastructure Development Program: Department of Transportation (DOT) Maritime Administration

Program Deadline: September 10, 2025

Description: Announces the availability of \$500,000,000 for FY 2025 Port Infrastructure Development Program grants. Program funds projects that improve the safety, efficiency, or reliability of the movement of goods through ports or intermodal connections to ports.

Brownfields Job Training Grants: Environmental Protection Agency (EPA)

Program Deadline: September 26, 2025

Description: This funding opportunity will fund training programs that provide program graduates with the skills and opportunity to seek and obtain environmental jobs that contractors may otherwise fill from outside the affected community. These grants help residents take advantage of jobs across a spectrum of brownfield-related activities, including the assessment, cleanup, remediation, and planning/site preparation for the revitalization of brownfields.

Indian Community Development Block Grant Program: Department of Housing and Urban Development (HUD)

Program Deadline: September 30, 2025

Description: The ICDBG Program provides eligible grantees with direct grants for use in developing viable Indian and Alaska Native Communities, including decent housing, a suitable living environment, and economic opportunities, primarily for low and moderate income persons. Projects funding by the ICDBG program must principally benefit low-and-moderate-income persons. The program regulations provide for two categories of grants, Single Purpose and Imminent Threat

Safeguarding Tomorrow through Ongoing Risk Mitigation Revolving Loan Fund

Program: Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA)

Program Deadline: September 30, 2025

Description: The objective of the Safeguarding Tomorrow RLF program is to capitalize or recapitalize entity-established revolving loan funds that will provide low-interest loans to local governments most in need of financing assistance to complete hazard mitigation projects and activities. The program aims to reduce risks from natural hazards for homeowners, businesses, nonprofit organizations, and communities in order to decrease the loss of life and property, the cost of insurance, and federal disaster payments.

Native American Affairs: Emergency Drought Relief for Tribes: Department of the Interior (DOI) Bureau of Reclamation

Program Deadline: October 14, 2025

Description: This NAIAO funding opportunity is for federally recognized Indian Tribes in the 17 western states. Activities funded through this Program must provide near-term drought relief actions that mitigate drought impacts for Tribes who are impacted by the operation of a Reclamation water project. The Program's objectives are to assist eligible Tribes to develop, manage and protect their water and related resources to mitigate the adverse impacts of drought. To be consistent with the purposes of the Act, proposals should meet one or more of the following objectives: Mitigate drought impacts, Increase drought resiliency, Reduce reliance on declining water sources, Increase the efficiency of water deliveries, Mitigate the loss of water and related Tribal trust resources, or Address drinking water shortages.
