Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Alternative Response Strategies to Improve Public Safety in fiscal year 2024. The entity to receive funding for this project is the City of Tacoma Police Department, located at 3701 South Pine Street, Tacoma, WA 98409.

The funding will be used to hire Community Service Officers and Designated Crisis Responders to engage in certain limited law enforcement functions. The project is an appropriate use of taxpayer funds because it will help the City of Tacoma improve its response to calls, increase feelings of security amongst community members, and improve relationships between the community and law enforcement.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152). I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Marilyn Strickland

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$5,000,000 in funding for Lakewood Water District PFAS Mitigation Wells in fiscal year 2024. The entity to receive funding for this project is the Lakewood Water District located at 11900 Gravelly Lake Drive SW, Lakewood WA 98499.

The funding would be used for drill two new wells into much deeper uncontaminated aquifers to partially replace the water supply that has been lost due to PFAS contamination. The loss of these sources has negatively impacted the Lakewood Water District's water supply resiliency to existing retail and wholesale customers. Wells impacted by PFAS contamination particularly impact thousands of civilian and enlisted families as well as the economically disadvantaged communities the Lakewood Water District serves.

This project has a federal nexus because the funding is provided for in purposes authorized by the Safe Drinking Water Act; Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Marilyn Strickland

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for the LASA (Living Access Support Alliance) Campus Project in fiscal year 2024. The entity to receive funding for this project is the Living Access Support Alliance located at 8956 Gravelly Lake Dr. SW Lakewood, WA 98499.

The funding would be used for the final stage of construction and result in 25 new affordable 1-, 2-, and 3-bedroom apartments co-located with case management and peer support to prevent homelessness. This project represents a sustainable, cost-effective community investment to reduce homelessness and combining services with housing for our most vulnerable populations.

This project has a federal nexus because the funding is provided for purposes authorized by the Community Development Block Grant (CDBG) program; 42 U.S.C. 5305(a)(1)

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$826,375 in funding for Relocate Water Mainline – Green Cove Creek in fiscal year 2024. The entity to receive funding for this professional is the Public Utility District No. 1 of Thurston County located at 1230 Ruddell Road SE, Lacey, WA 98503.

The funding would be used for water main relocation in order to support a healthy ecostructure that will support salmon and stream runs, while ensuring the community affected has safe drinking water for their homes.

This project has a federal nexus because the funding is provided for in purposes authorized by the Safe Drinking Water Act; Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$3,000,000 in funding for Sprinker Community Recreation Center Building Renovation in fiscal year 2024. The entity to receive funding for this project is the Pierce County Parks located at 9850 64th St W University Place, WA 98467.

The funding would be used for improvements of the current Sprinker Community Recreation Center including upgrading to an electric, clean, and efficient HVAC system, converting the old tennis center to a new sport-court and indoor walking facility, modernize to address code, safety and accessibility needs, and adding flexible community spaces. These investments allow for increased access to green space and nature, help bring vital services and programs to the community, and improve the physical and mental health of all residents.

This project has a federal nexus because the funding is provided for purposes authorized by the Community Development Block Grant (CDBG) program; 42 U.S.C. 5305(a)(1), 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$1,800,000 in funding for the Shelter Expansion and Site Preparation project in fiscal year 2024. The entity to receive funding for this project is the City of Tacoma, located at 747 Market Street, Tacoma, WA 98402. The funding would be used to acquire 75 micro-shelter units that can be purchased as soon as the funding is received. These micro-shelters will provide warm, safe temporary housing to some of the city's most vulnerable population. Once in the temporary housing, the residents will be able to access additional services with the goal of moving towards permanent housing.. The project is an appropriate use of taxpayer funds because it will serve to move the city towards consolidation of its emergency and temporary shelter locations which will ultimately assist in centralization of services and improved access for individuals experiencing homelessness in the community. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$3,000,000 in funding for the College Street Corridor Safety Improvements project in fiscal year 2024. The entity to receive funding for this project is the City of Lacey, located at 420 College Street SE, Lacey, WA 98503. The funding would be used for construction to address a critical community need for pedestrian and vehicle safety on an arterial that serves as a major north-south corridor for the City of Lacey and surrounding communities. The project is an appropriate use of taxpayer funds because the project aims to create a safer environment for all users in an area deserving of public investment, and will improve economic competitiveness and opportunity both within and beyond the immediate project area by decreasing transportation costs, providing access to affordable housing, and contributing to growth of the economy. The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$1,600,000 in funding for Chambers Bay Access to Opportunity Project in fiscal year 2024. The entity to receive funding for this project is the City of University Place, located at 3609 Market Place West, University Place, WA 98466. The funding would be used to reconfigure the intersection of 64th Street West and Chambers Creek Road from a 3-leg stop controlled intersection to a roundabout. The Project will involve regrading and realigning the intersection to improve traffic flow and sight distance for motorists. The project is an appropriate use of taxpayer funds because the project serves existing populations experiencing serious safety concerns due to the level and type of vehicular traffic in the project site, and supports sustainable future economic development. The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,000,000 in funding for the O'Farrell Senior Co-Housing Project in fiscal year 2024. The entity to receive funding for this project is Homes First, located at 5203 Lacey Blvd SE, Ste. A, Lacey, WA 98503. The funding would be used for re-development work including architectural, engineering, site work, and construction on units that can serve single seniors or couples or be used as shared/co-housing. The project is an appropriate use of taxpayer funds because it will help to acquire properties for the people in our community who struggle the most to find and retain budget-friendly rental housing. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for the M/V Christine Anderson - Clean Ferry Project in fiscal year 2024. The entity to receive funding for this project is Pierce County, located at 930 Tacoma Avenue S, Tacoma, WA 98402. The funding would be used for upgrading the M/V Christine Anderson with Tier 3/4 EPA Certified Diesel Main Engines. The project is an appropriate use of taxpayer funds because this will result in drastically reduced impacts on local wildlife, cleaner air for our residents, and providing critical transportation to island residents. The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$1,500,000 in funding for the 3900 Boulevard Project in fiscal year 2024. The entity to receive funding for this project is South Puget Sound Habitat for Humanity (SPS Habitat), located at 1216 2nd Ave SW, Tumwater, WA 98512. The funding would be used for development of mixed-income housing with a neighborhood commercial and community benefit element to serve low and moderate income families. The project is an appropriate use of taxpayer funds because it addresses homelessness and affordable housing issues facing Thurston County and Washington State. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I am requesting \$2,000,000 in funding for the Pierce County Housing Authority Rehabs project in fiscal year 2024. The entity to receive funding for this project is Tacoma/Pierce County Habitat for Humanity, located 4824 South Tacoma Way, Tacoma, WA 98409. The funding would be used to rehabilitate current public housing units and preserve their affordability in perpetuity. The project is an appropriate use of taxpayer funds because it helps satisfy a critical unmet need for affordable housing in the region. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$744,000 in funding for Market Fresh Lockers Expansion for Congressional District 10 in fiscal year 2024. The entity to receive funding for this project is Bonney Lake Food Bank located at 24015 State Route 410, Buckley WA 98321. The funding would be used for the expansion of market fresh lockers in my district. The refrigerated smart lockers help remove access to food for underserved community members facing food insecurity. The project is an appropriate use of taxpayer funds because the expansion of the Market Fresh Locker network delivers return on investment to taxpayers through its high impact, low footprint, emergency management, built in sustainability, and circular social benefit. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for Pierce Transit System-Wide Bus Shelters Modernization and Related Passenger Amenities Upgrades in fiscal year 2024. The entity to receive funding for this project is Pierce Transit, located at 3701 96th St. SW Lakewood, WA 98499.

The funding would be used to replace the worst condition or most often vandalized shelters in its inventory with entirely new and redesigned shelters, that includes 18 to 24 glass panels. These panels are stronger, less breakable, and reinforced against vandalism. The project is an appropriate use of taxpayer funds because public transportation is an open and available asset for the entire community. The proposed infrastructure improvements will be felt by both the riding community and public as a whole. The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,610,000 in funding for Lacey Community Hub Development in fiscal year 2024. The entity to receive funding for this project is Thurston County Food Bank's Lacey Food Pantry, located at 7027 Martin Way E, Olympia, WA 98501. The funding would be used for the development of a Community Hub at Lacey's Food Pantry consists of building additional office spaces for local human service partners. These offices will provide small group, one-on-one, and confidential meeting spaces addressing basic needs beyond food. The project is an appropriate use of taxpayer funds because Thurston County Food Bank (TCFB) has provided basic needs to community members since 1972. The number of families TCFB serves has grown steadily with more than 60,000 Thurston County residents receiving support from us last year. TCFB are long-time investors in Thurston County with a record of accomplishment in coordinating efforts to improve the quality of life and stability of a community through collaborations and partnerships. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marilyn Strickland
