Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$1,000,000 in funding for the Garrison Springs Creek Restoration (Phase II) project in fiscal year 2025. The entity to receive funding for this project is the Town of Steilacoom, located at 1030 Roe St. Steilacoom, WA 98388.

The project improves water quality runoff into the Puget Sound and provides habitat for aquatic and terrestrial species. The Garrison Springs Creek Restoration is part of a broader effort to convert fallow former industrial land to a vibrant community asset, with access to nature, a community park, housing, bike/pedestrian connections, and water access.

This project has a Federal nexus because it is for the purposes authorized under Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marilyn Strickland', with a stylized flourish at the end.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$996,000 in funding for the Chambers Bay Access to Opportunity – Construction project in fiscal year 2025. The entity to receive funding for this project is the City of University Place, located at 3609 Market Place West, University Place, WA 98466.

The project would be used to reconfigure the intersection of 64th Street West and Chambers Creek Road from a 3-leg stop controlled intersection to a roundabout. The Project will involve regrading and realigning the intersection to improve traffic flow and sight distance for motorists. The project is an appropriate use of taxpayer funds because the project serves existing populations experiencing serious safety concerns due to the level and type of vehicular traffic in the project site, and supports sustainable future economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marilyn Strickland', with a stylized flourish at the end.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$900,000 in funding for the Emergency Coordination Center Generator project in fiscal year 2025. The entity to receive funding for this project is the City of Lacey, located at 420 College Street SE, Lacey WA 98503.

The project would facilitate the purchase of a generator to keep the Emergency Coordination Center operational. The ECC would have enough space to maintain City operations for over 72 hours and serve as the City's central coordination point for large-scale emergency operations.

This project has a Federal nexus because it is for the purposes authorized by Section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marilyn Strickland', with a stylized flourish at the end.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$2,184,146 in funding for the Pierce Transit System-Wide ADA Signage Improvements project in fiscal year 2025. The entity to receive funding for this project is the Pierce County Public Transportation Benefit Area Corporation, located at 3701 96th St. SW Lakewood, WA 98499-4431.

The project increases ADA accessibility within its transportation service areas with braille/tactile (raised lettering) signs and ConnectPoint real-time signage to promote ADA community confidence and independence to use public transportation as their primary mode of transportation.

This project has a Federal nexus because it is for the purposes authorized by United States Code, Title 49, Subtitle III, Chapter 53, §5312.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marilyn Strickland', with a stylized flourish at the end.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$500,000 in funding for the Squaxin Bicycle and Pedestrian Safety Planning & Design Project in fiscal year 2025. The entity to receive funding for this project is the Squaxin Island Tribe, located at 10 SE Squaxin Lane, Shelton, WA 98584.

The funding would be used to improve the pathway to and from the Squaxin residential area to the commercial area where Tribal businesses are located.

This project has a Federal nexus because it is for the purposes authorized under 23 U.S.C. 202 (Tribal Transportation Program)..

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marilyn Strickland', with a stylized flourish at the end.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$1,423,200 in funding Alameda Ave – Emerson Street to Rosewood Lane Pedestrian and Bicycle Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Fircrest, located at 115 Ramsdell Street Fircrest, WA 98466.

The funding would be used to implement safe and accessible pedestrian pathways compliant with ADA standards, the introduction of designated bike lanes, and measures to heighten driver awareness and promote yielding behaviors, particularly in areas frequented by school-age children.

This project has a Federal nexus because it is for the purposes authorized under subsection 3 of 23 USC 133(b), Carpool projects, fringe and corridor parking facilities and programs, bicycle transportation and pedestrian walkways in accordance with section 217, and the modification of public sidewalks to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$48,393.91 in funding for the Body Worn Camera Equipment & Technology project in fiscal year 2025. The entity to receive funding for this project is the City of University Place, located at 601 4th Ave E, Olympia, WA 98501.

The project would be used to support the acquisition of body worn cameras allowing for the investment in vital tools that help maintain public safety goals. Funding will also provide every officer and patrol vehicle with updated technology to ensure consistency across the department.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$810,000 in funding Meeker Street project in fiscal year 2025. The entity to receive funding for this project is the City of Puyallup, located at 333 S. Meridian Puyallup, WA 98371.

The funding would be used to create a pedestrian-oriented, flexible space that will help encourage redevelopment and investment in downtown, including a planned mixed-use housing development nearby on the City-owned parcel. In addition, it will include pedestrian infrastructure improvements such as upgraded ADA ramps, curb extensions, sidewalk widening, and enhanced pedestrian signals.

This project has a Federal nexus because it is for the purposes authorized in Section 42 U.S.C. 5305(a)(2), (4), and (5).

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$1,200,000 in funding for City of Roy Water Infrastructure Project in fiscal year 2025. The entity to receive funding for this project is the City of Roy, located at 216 McNaught St S PO Box 700 Roy, WA 98580-0700.

The funding would be used to revitalize their water infrastructure including a new water tower, water reservoir, water filtration, relocation of one of our water wells, and potential re-piping. The project is an appropriate use of taxpayer funds because it will help the City provide quality water services that includes increasing pressure for residents, clearing out “brown” or “tinted” water from homes, reduce the amount of PFAS and Iron & Manganese that residents are exposed to and create a long-lasting water infrastructure that the community can depend on.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$ 2,249,000 in funding for the 166th Intersection Widening and Intersection Improvements project in fiscal year 2025. The entity to receive funding for this project is the City of Sumner, located at 1104 Maple Street, Sumner, WA 98390.

The funding would be used to replace intersections with two roundabouts. Under the current conditions, there are significant backups that are experienced both during the peak AM and peak PM hours.

This project has a Federal nexus because it is for the purposes authorized under Chapter 133 of title 23 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$4,000,000 in funding for the Hillsdale Heights Coalition project in fiscal year 2025. The entity to receive funding for this project is Tacoma Housing Authority, located at 902 S L St, Tacoma, WA 98405.

The funding would be used to direct service to building infrastructure that supports increased affordable housing options in Tacoma's east side at an area undeveloped and is ready for predevelopment. It will be directly used to support one or more of the uses outlined in HUD EDI guidelines: "1) Water or sewer infrastructure projects, which are not otherwise eligible to be funded as CPFs in EPA STAG (Interior bill) or Rural Water and Waste Disposal (Agriculture bill); 2) Local road infrastructure, which is not otherwise eligible as a CPF in Highways (in this bill); 3) Streetscape improvements; 4) Public or non-profit housing rehabilitation, housing development financing, residential conversions, and neighborhood revitalization projects, which would increase housing supply and/or improve housing affordability in the local community."

This project has a Federal nexus because it is for the purposes authorized under Section 5305(a)(2) / Chapter 69 of Title 42 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$1,500,000 in funding for the Pipeline Trail – Fruitland to Nathan Chapman Trail Connection project in fiscal year 2025. The entity to receive funding for this project is Pierce County located at 9850 64th Street W University Place, WA 98467.

The funding would be used to allow the trail segment to be constructed in 2025-2026 in conjunction with the trailhead/park facility. This project improves neighborhoods and provides direct active transportation options for low- and mid--income families and persons with disabilities who need affordable means to reach school, business, and community services.

This project has a Federal nexus because it is for the purposes authorized under Section 5305(a)(1) of title 42 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chair Cole and Ranking Member DeLauro:

I am requesting \$2,000,000 in funding for TCF-SAVES (Thurston County Fairgrounds-Shelter and Vaccination Emergency Site) project in fiscal year 2025. The entity to receive funding for this project is Thurston County, located at 3000 Pacific Avenue SE Olympia, WA 98501.

The funding would be used to convert an existing makeshift to multipurpose facility that can be converted, at nearly a moments notice, to serve as a safe and easily-accessible location for health-care workers to administer care in times of public health emergencies.

This project has a Federal nexus because it is for the purposes authorized under Section 5305(a)(2) / Chapter 69 of Title 42 of the United States Code.
