**Certified Community Behavioral Health Clinic (CCBHC) Improvement and Advancement Grant:** Substance Abuse and Mental Health Services Administration (SAMHSA) – HHS
**Program Deadline:** August 17, 2026
**Description:** The purpose of this program is to sustain and enhance services at existing Certified Community Behavioral Health Clinics (CCBHCs). This includes serving individuals across the lifespan with or at risk for mental health and/or substance use disorders (SUDs). CCBHCs are community-based clinics that offer coordinated, evidence-based outpatient services, including crisis services, while also enhancing access for anyone in need and coordinating care to mitigate gaps in care.

**Continuum of Care Competition and Youth Homelessness Demonstration Program:** Department of Housing and Urban Development
**Program Deadline:** August 26th, 2026
**Description:** The Continuum of Care (CoC) Program is designed to promote a community-wide commitment to the goal of ending homelessness. They provide funding for efforts by nonprofit providers, States, Indian Tribes or Tribally Designated Housing Entities [as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHEs)], and local governments to quickly rehouse individuals and families experiencing homelessness, persons experiencing trauma or a lack of safety related to, or fleeing or attempting to flee domestic violence, dating violence, sexual assault and stalking, and youth experiencing homelessness while minimizing the trauma and dislocation caused by homelessness. In addition, this funding promotes access to, and effective utilization of, mainstream programs and programs funded with State or local resources, optimizing self-sufficiency among individuals and families experiencing homelessness.

**United States Marine Highway Program (USMHP):** Maritime Administration – USDOT
**Program Deadline:** August 31, 2026
**Description:** The United States Marine Highway Program (USMHP), codified at 46 U.S.C. 55601, was originally established by Section 1121 of the Energy Independence and Security Act of 2007 to reduce landside congestion through the designation of Marine Highway Routes. The USMHP statute authorizes the U.S. Department of Transportation ("Department" or "DOT") to make grants to implement Projects or components of Projects that 1) provide a coordinated and capable alternative to landside transportation; mitigate or relieve landside congestion; promote Marine Highway Transportation; or use vessels documented under 46 U.S.C. chapter 121; and 2) develop, expand, or promote Marine Highway Transportation or shipper use of Marine Highway Transportation.
